Warning: Polaris PRO XD vehicles can be hazardous to operate and are not intended for on-road use. All riders should always wear head protection – such as hard hats or a helmet – that is appropriate for operating conditions and intended usage, considering factors such as intended speed, unevenness of terrain, turns in path, weather, obstacles, and other traffic. Always use seat belts and close doors (as equipped). Never engage in stunt driving, and avoid excessive speeds and sharp turns. Riding and alcohol/drugs don't mix. All riders should take a safety training course. Call 800-342-3764 for additional information.
